

Whatever your room requirements we can arrange a single, double, twin or family room for your stay. All our room rates include our breakfast buffet service.

We are able to cater for most things and most of our rooms are spacious, well lit and have easy access. Our staff are friendly and always happy to help and can also advise on local amenities, travel and information on the local area to make your stay as enjoyable as possible.

Rooms and beds are kept clean and turned around with minimal interruption so you can enjoy them when you're not out and about. We can also arrange travel information, times for trains, taxi services etc. if you don't drive or wish to take a break from behind the wheel.
